# GENERAL INDICATIONS

## LIST OF PARTICIPANTS

Before arrival, it is necessary to provide a list of all participants and to discuss the details of arrival with the contact person of the hotel.

## REGISTRATION / CHECK-IN

It takes place directly at the Congress Center desk, reachable via specially signed ways, or at La Fabbrica dell'Acqua.

## TEMPERATURE MEASUREMENT

Temperature check at the main entrance of the Congress Center or at the entrance of La Fabbrica dell'Acqua. If it is equal to or higher than 37.5°C access will be forbidden.

## CLOAK ROOM

It is forbidden to leave objects and clothing in common areas. These must be stored in the wardrobe in special garment bags or kept at distance avoiding any contact between them.

## MASKS AND DISTANCES

During the meeting, it is mandatory to wear a mask and to use the sanitising gel provided. It is recommended to avoid the shared use of wireless microphones, mice, keyboards, touch screens or remote controls. Speakers will be seated at the table at a safe distance from the audience and keep a distance of at least 2 metres between each other, so that they can hold their speech without a mask. It is therefore forbidden to move the chairs and tables. Wherever possible, separate routes will be set up for the entry and exit of the participants.

## VENTILATION

Our meeting rooms are equipped with a ventilation system that does not recirculate indoor air. Moreover, the rooms will be periodically ventilated, during scheduled intervals, and will be disinfected after each event.

## FOOD & BEVERAGE:

### BREAKFAST

Our breakfast is organized in two main time slots:  
- from 7.30 am to 8.45 am  
- from 9.00 am to 10.30 am

Up to 20 participants can have breakfast in a single time slot to be fixed the evening before. From 21 people, if the hotel occupancy requires it, the participants will be divided into more time slots in order to avoid gatherings.

### COFFEE BREAK/APERITIF

These services will be served, as participants are not allowed to stand or form groups. A buffet will be set up in a designated area, where our staff will distribute drinks and snacks in single portions. Depending on the number of participants, the coffee break will be divided into groups, time slots or different locations, to make sure that all participants can maintain a safe distance from each other.

### LUNCH/DINNER

Our main restaurant can accommodate up to 200 people. Lunches and dinners include table service and served buffet.
